

Dear Parents/ Carers,

We are pleased to inform you that we have booked an overnight stay camping experience for the children in Year 6! The camp has been booked with The Outdoors People. They provided Tipi style tents for the children to sleep in and complete a range of activities with the children.

At every overnight camp, the children will work together to put up their tents, play energetic games with our giant Kin Ball, toast marshmallows, sing songs around the campfire, and have an amazing night under the stars with their friends. During the day, we have a huge range of exciting educational activities and challenges for the children to choose from. Children might learn to make fires, take part in the bush-tucker challenge, cook over an open fire, learn basic first aid, purify muddy water into tasty hot chocolate, and much more.

We would like the children to be in school for the usual time of 8.45am for registration on the **17th April** (first day back after Easter holidays) We will be staying at school until the following day (**Tuesday 18th April**) when children will leave school at the end of the day. **Food will be provided for the duration of the stay.**

The cost of the overnight camp and two activities days (including food) is £61.25. As this is a celebration event for the Year 6 children completing their primary school journey and working hard for SATs preparation, we will be contributing to the trip. School will pay £31.25 and we are asking for a contribution of **£30.00**. (We are aware that the previous letter stated £25.00 but there has been unforeseen additional costs). Please can parents pay this contribution by Friday 17th March 2023.

We would love every child to experience this, so if you are having any difficulties making the payment or concerns about your child staying overnight please speak to Miss Weatherston or any member of staff who can help. This is open to all the children in Year 6. If there is a shortfall of Year 6 pupils however, it will be opened up to another yeargroup to help us cover the costs.

More information regarding the camp will be sent out after all consent forms are returned to school, but if you wish to look at the company visit <https://www.theoutdoorspeople.com/parents>

Yours sincerely

Lindsey Corbett
Principal
