

Dear Parent / Guardian,

Please see the below information letter which details a new initiative that will be coordinated by Wakefield Trinity Community Foundation in partnership with 'MY Hospitals Charity', for the benefit of Pinderfields Hospital.

MY Hospitals Charity supports and enhances the services provided by The Mid Yorkshire Hospitals NHS Trust, which provides care to over half a million people every year in their homes, in the community and across three hospital sites.

As you may know, **'World Book Day'** is celebrated this year on Thursday 2nd March 2023. Each year, as a Foundation, we try to run an inclusive event in schools for World Book Day, however, this year we have decided to take a different approach. We, therefore, will be asking all our supporters, sponsors and partnered schools to assist us in a 'Book Collection', with all books donated over this period going to the children's ward at Pinderfields Hospital in Wakefield.

Wakefield Trinity Community Foundation will be running the collection in all schools up until **Thursday 2nd March 2023**, with any book donations being greatly appreciated, and can be handed in to your schools collection point.

As ever, your kindness and assistance with this collection is greatly appreciated. Once the collections have taken place, we will update each school with the total books raised. Each school should take the name of every person who donates a book, with these students entered into a competition to win tickets to a Wakefield Trinity Home Game in the 2023 Super League season.

Kind Regards,

Luke Shale

Head of Education & Health

Wakefield Trinity Community Foundation

A handwritten signature in black ink that reads 'L Shale'.
