

8th July 2022

Dear Parents / Carers

I hope that the Transition letter that we sent out yesterday afternoon has reached you and you have had a chance to read it. We look forward to welcoming your child to our school.

Our whole school transition session on Thursday 14th July will be taking place during the morning between 9.15 - 11.00am. If your child is due to start with us in September, your child is invited to join in the transition day to meet the other children in the class along with their class teacher. If your child attends another school or setting, if you notify them that they will be visiting their new school then this shouldn't affect their attendance.

We will also be adding an additional session for the September Nursery children, Reception Class and Year 1.

This will take place on Monday 18th July and will be for 1 hour during the morning between 10.00 and 11.00am. Again any children who haven't started with us yet are more than welcome to join in so that it helps your child have a positive experience of school and enables a smooth transition.

Please bring your child to Newstead Green approx 5 mins before the start times shown above. Parents can leave their child and collect them after the session has ended. On both days please come to the main reception and staff will take your child to their class.

Our new school year starts for pupils on Tuesday 6th September 2022.

The Reception class enters their classroom from the back of school and children are expected in school at 8.45am.

Nursery Children will enter via the door at the front of school (near the Family Hub) at 9.50am.

The senior leadership team will be on the playground, should you need any help.

Yours sincerely

Lindsey Corbett
Principal
