

Parents' Parking Promise

Parents/Carers

***Please note that if you do not drive you can still support the initiative by completing the slip below and ticking the box; then return to school by Friday 18th June 2021**

Congestion on the roads around school in the morning and afternoon poses a risk to children and their families, as they travel to and from school.

It is a parent's responsibility to see their children safely to and from school but, in doing so, they should not create dangers to others. This can be reduced by more children walking to school.

However, we recognise that there are circumstances when travelling to school via car is the only option. If this is the case, then we would ask you to please park with care and consideration.

By signing the parking promise, I am agreeing that I:

Will NOT park or stop on the 'SCHOOL KEEP CLEAR' markings during the hours stated

Will NOT park on double yellow lines with the exception of a displayed valid Blue Badge

Will NOT park on single yellow lines during the hours stated with the exception of a displayed valid Blue Badge

Will NOT block the school entrances

AND

Will make sure children get out of the car safely on the same side as the pavement

Will park some distance away from the school, walking a short journey, even in bad weather conditions

Upon signing this Contract, I accept my responsibilities as a caring driver and I will also make sure that I park my car in a responsible manner in the area surrounding school.

Please join us in supporting this initiative, by signing the slip below and returning it to school as soon as possible.

Parents' Parking Promise - THANK YOU FOR YOUR VALUED SUPPORT

I commit to safe parking at **Outwood Primary Academy, Newstead Green**

Child's Name _____ Class _____

Parent/Carer Name _____ (PLEASE USE BLOCK CAPITALS)

I do not drive my children to school, however I still support your School Gate Parking initiative
