## Wakefield Families Together

Wakefield Families Together brings services together, so that it's easier for you to find and access the support you need, at the earliest opportunity.

We want children, young people, and families to tell us they are happy, healthy, and safe. Wakefield Families Together are about working on your behalf so that if you have a concern about your child or family member, you only need to have one conversation with us, and we can direct you to the right support. You can access this support through your child's school, family hub, or in the local community.

To help us localise how we work with families across the Wakefield district, we have grouped our teams and partner organisations into six community 'cluster' areas, with nine family hubs. You can find your local Family Hub on the Wakefield Families Together website here: <u>Family Hubs – Wakefield Families Together</u>

Everyone needs help and support at some point in their life. So, when you do and find it hard to deal with a difficult situation, or have worries around family relationships, behaviour, school attendance, emotional and mental health, domestic abuse, parental conflict, housing issues, or employment and debt problems, Family Hubs can help direct you to the right people and services.

Yours sincerely
