

Dear Parent/Guardian,

We would like to invite your child to join us for Green Fingers – The Big Grow between May 9<sup>th</sup> and 20<sup>th</sup>. This year we've teamed up with Innocent Drinks to celebrate the seed to plate food journey and get more children gardening.

We'll be inviting pupils to try a different taster each day and vote on their favourite dish, these tasters will include Beetroot houmous dip and broccoli & carrot crisps.

That's not all – on May 19<sup>th</sup> we'll be celebrating with a delicious veggie menu with popular options like Quorn nuggets and macaroni cheese.

We hope your child chooses to join us for a fun packed week!
