Outwood Primary Academy Newstead Green

**Reception
Class**

Well hello everyone, our first week is finished and your children have completely amazed me. Their confidence, attitude and happiness has made me burst with pride. They are all a credit to you as parents/carers.

We have been very busy these last three days and the children have produced some amazing work. Our WOW Work Wall is already filling up (I think I am going to definitely have to make it bigger!).

Our journey together is just beginning but as a 'team' your children are going to certainly be 'superstars'.

Have a fabulous weekend and see you Monday morning at 8.50am for another amazing week. Here is a little snapshot of what we will be learning next week.

Thank you again for your happiness and support,
Mrs Simpson

**Number of
the week**
1

Can you recognise the number 1?
Can you write the number 1?
How many apples can you count?

				
---	--	--	--	--

Can you use the word friend in a sentence?
Who is your friend?

Word of the week
Friend - a person you know well, who you like a lot and who is not part of your family

Rhyme of the week
I can be a friend smiling at you, I can be a friend when your feeling blue, I can be a friend who is honest and kind, I can be a friend when you're in a bind. I can be a friend saying please and thank you, I can be a friend when no one wants to. I can be a friend every single day, I can be a friend what do you say?

Story of the week
