

16<sup>th</sup> September 2022

Dear Parents / Carers  
**School Photograph Day**

This year's school photographs to take place next week on Wednesday 21st September 2022.

We will once again be using Purple Cow Photography, who have provided us with some excellent photographs in the past.

This year we will automatically be taking individual pupil photographs and sibling photographs of children who are already in school. If you have younger siblings and you would like a family photograph, school will be open from 8:30am to have these taken. Please come to the school office for entry into school.

All photographs will be taken during the school day.

- Staff will be on hand to help with the day and will make sure that children have collars straightened and to remove strands of hair etc.

### **INFORMATION**

- **Orders:** This year you will have the option of either paying on line or bringing cash into school in the envelope provided with the proof. Please make sure that cash is correct as no change can be given.
- **Prints:** Photographs are not instant. Proofs will take a few days to arrive back in school and then Photographs will be in school around the half term.
- **One order drop:** To minimise the number of touch points, orders will only be dropped at the venue once. All orders received after the deadline will have to be posted, and will incur a £5.00 postage & packaging fee to the parent as per our standard practice

Thank you for your understanding this year.

Yours sincerely

Lindsey Corbett  
Principal
