

25<sup>th</sup> May 2022

Dear Parents / Carers

## **UNDER THE SEA – NURSERY**

As part of next term's topic 'under the sea', we have arranged an exciting themed morning around the sea and sea life to take place in school on Monday 13<sup>th</sup> June 2022. The day will include a virtual mermaid experience workshop with Marina the mermaid from The Ocean Conservation Trust. The children will learn weird and wonderful facts about all different sea creatures and have lots of fun interacting with Marina.

We ask for a voluntary contribution of £1.75 towards the cost of this workshop which will also include an ice pop for each child. It is important to stress that in the event of an inadequate number of parental contributions it will not be possible for the workshop to take place and it will be cancelled. Please pay all voluntary contributions before Monday 6<sup>th</sup> June 2022.

Payments must be paid via Parentpay and the payment will be showing when you log on. For parents who have yet to set up an account, an activation letter will be sent home today with your child. This will also include a bar code which can be used at McColl's in Havercroft or any other Paypoint store as an alternative method of payment.

We would like the children to come dressed for the morning as they would for a fun day at the beach, or alternatively, they can wear their school uniform as normal.

Many thanks in advance for your continued support.

Yours sincerely

Lindsey Corbett  
Principal
