

The background of the poster is a light beige color. It is decorated with a border of autumn-themed illustrations. At the top and bottom, there are clusters of colorful leaves in shades of purple, orange, and green, along with small blue flowers. On the left and right sides, there are green vine-like structures with yellow and brown leaves. Several pumpkins are scattered around the text, each with a different carved face: some have simple smiling faces, some have wide, toothy grins, and some have more complex, spooky expressions with large eyes and jagged mouths.
