Dear Parents / Carers

As our Y6 children reach the end of their primary school journey, it is important for them to have some shared experience at a residential to become secondary school ready. Miss Weatherston has sourced a quote from Kingswood activity center located in the Dearne Valley, Doncaster.

The trip will take place Wednesday 24th January 2024 – Friday 26th January 2024 and will cost £160 per child (this price includes the cost of the overnight trip and coach journey). If you would like your child to attend, the deadline for money to be paid in full will be confirmed in October 2024.

If the amount is not paid in full, your child will not be able to attend. To secure your child's place, we ask for a deposit of £30 to be paid through parent pay by the Tuesday 10th January 2023.

The children will leave school at 9am on Wednesday to arrive at the centre. They will have an action packed two days of activities including archery, laser quest, high wire climbing and much more. The children will leave the center at around lunchtime on Friday to be back at school for mid-afternoon (exact time will be confirmed via text message).

All activities will be led by trained activity leaders on site and all food is provided for the cost above (the children will eat 3 hot meals per day). More details will be released regarding clothing/items needed and spending money etc. closer to the time.

Please return the slip below as an expression of interest ASAP so final numbers can be passed on to the activity centre.

Yours sincerely

Miss Weatherston
