THERE'S LOTS TO DO THIS SUMMER

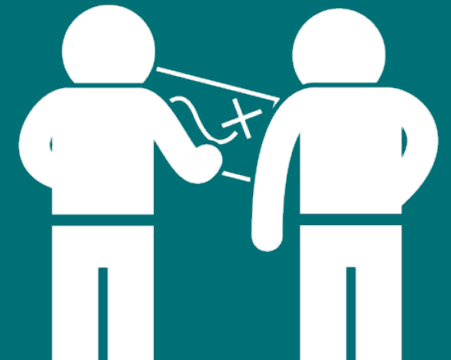

We are setting up games and trails across Wakefield for families to enjoy

There will be lots of games and trails for families to do in and around Wakefield.

The games and activities can be accessed through the Love Exploring App. They are free to play but you will need a compatible mobile phone to access them. You can find a list of accessible Android mobile phones [here](#) and iPhones need to be newer than an iPhone 6 from 2015.

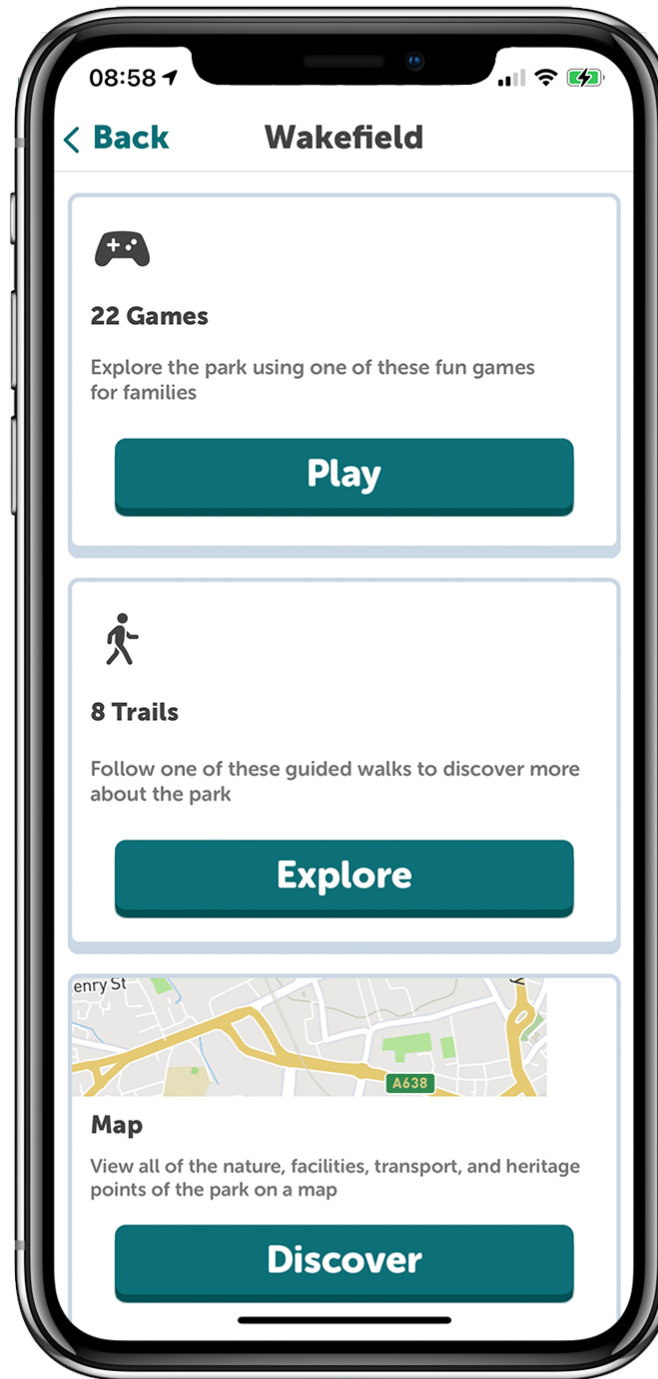

LOVE EXPLORING™

THERE ARE DIFFERENT TYPES OF ACTIVITIES TO DO

LOVE EXPLORING™

Games

These follow a treasure hunt or quiz format. They use animated characters that you can find with your mobile phone to enhance a walk.

For the pilot there will be a Dinosaur Safari, Mega Mini Beasts and a Space Walk.

Trails

The trails give you a clear route to follow and tell you about the things that you are walking past. For the Pilot there is a heritage audio trail in Alexandra Park, an audio tree trail and 2 other routes around the area that start from the park.

Map

The detailed map has a lot of information to help people find out more about the park

COMPETITION TIME!

We are running an inter-school competition

We are running a fun and exciting competition for families to take part over the 6 weeks of the summer holidays. Use the Love Exploring app to engage in lots of the fun trails and games in over 17 parks in the Wakefield District. You will be able to see which parks are nearest to you when you download the app. There will be a whole school activity/experience for the school that gets the most points. Read on to see how you gain points and enter the competition on the Love Exploring App, good luck.

YOU WIN POINTS WHEN YOU PLAY

Players win points by

Answering Questions

3 points for a correct
answer and 1 point for
an incorrect answer

Walking Metres

There's 1 point for
every 100m walked
in the games or trails

THE SCHOOL EXPLORERS COMPETITION

Players can link their accounts to their school so they can play the inter-school competition.

This is a fun and free way to encourage people to get out and about in the holidays. Players can link their activity to their school so when they walk trails and play games the school accrues points.

There is a live league table showing you how every participating school is getting on in the app.

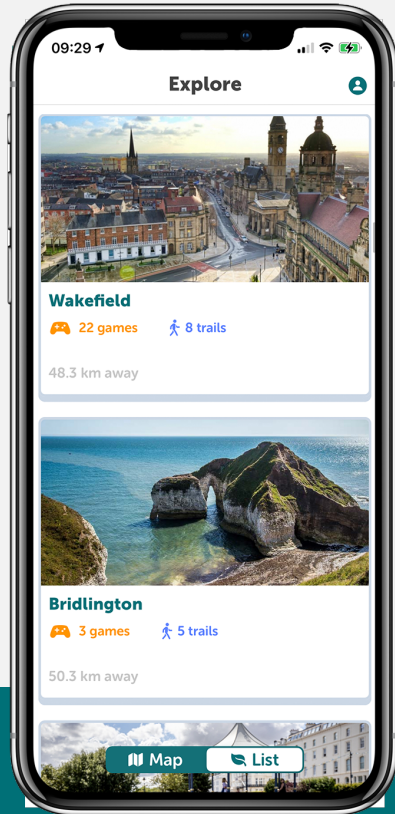

School league table	
Total	Ave per pupil
St Llynn	1574
Albany Primary School	1563
Baden Powell Primary	1532
All Saints CW Primary	1521
Gladstone Primary	1489

Linking your account to your school

It's easy to link your account to your school

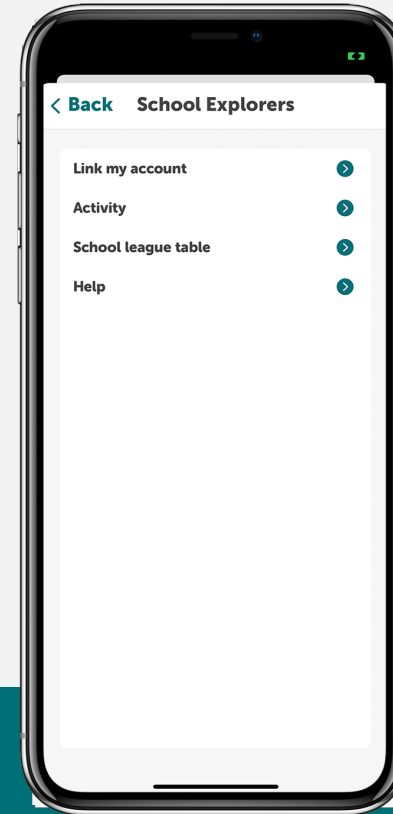

Just download the app and follow the menu choices below. When you have linked your account your points will be linked to your selected school.

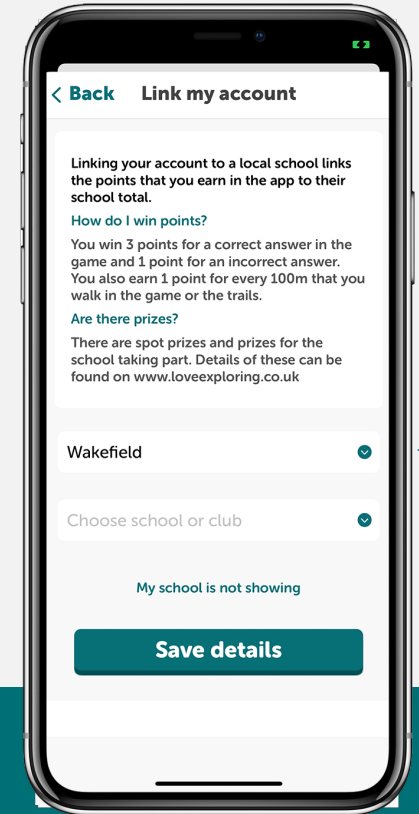

1.
Select the menu icon in the top left hand corner

2.
Choose School Explorers

3.
Choose Link my account

4.
Choose Wakefield and then your school
