Year 5 News day

Year 5 have been enjoying being reporters by creating and writing their

own newspapers. They also had the opportunity last week to ask questions to Olympic medalist, Alistair Brownlee as part of their interviewing.

Design and Technology

With the school holding the quality mark for design and technology. It has been fantastic to see a number of children accessing cooking with- in their topics. Y4 Greek Salads made us particularly hungry.

Garden volunteers

School Parliament have identified that we would like to develop the outside spaces within our school.

As we continue to become more sustainable, we would like to develop an area to grow vegetables and provide habitat for a range of animals and plants. They would like to develop another area to help with everyone's health and wellbeing. **If this is something you feel you could support with—please let us**

Ukraine Appeal

Thank you and well done to everybody involved with our appeal to raise funds for those people affected in Ukraine. We managed to raise £280, which will go to support families who need support.

Wakefield & District

Are you a mum, dad or grandparent or do you have childcare experience and have a few hours a week to spare?

We need people with your experience, to volunteer at Home-Start Wakefield & District, to offer support to other families in the Wakefield area.

Please contact 01924 251205 for more information.

Mental Health and Wellbeing

A big thank you to parents who have completed our Mental Health and Wellbeing survey. We will now be using the data to allow us to provide you with more information about the systems we have in school and our Mental Health Strategy.
