

Summer Taster Sessions

Outwood Primary Academy Newstead Green is working together with Havercroft Family Hub to offer three taster sessions with a focus on parenting children with Special Educational Needs, or emerging special educational or behavioural needs.

Taster session 1: Support with emerging SEND needs, behaviour and development

Tuesday 12th July 2:30pm – 3:00pm, Havercroft Family Hub

Do you feel you need support to explore some behaviours your child is presenting, and exploring the best strategies to help support your child? If so, please come along to the taster session to explore the support available.

Taster session 2: Supporting your child with Special Educational Needs

Wednesday 13th July 2:30pm – 3:00pm, Havercroft Family Hub

Would you like to join a support group with other parents and professionals who understand will support you to help you support your child with additional needs. If this is something of interest to you, please come along to the taster session.

Taster session 3: Parent Well-being Group

Thursday 14th July 2:30pm – 3:00pm, Havercroft Family Hub

Have you got limited if no wider network of support? Are you wanting to know about the facilities within the local area? Or maybe you are new to the area? If so, please join us for support at the well-being group.

All of these taster sessions will be held at Havercroft Family Hub and they are all with the intention of running programmes in the Autumn term.

We look forward to meeting you at the Taster Sessions.
